

The Mandurah Hackett School
70th Birthday Reunion in conjunction with the Mandurah Community Museum

October 17th 2009

Interested in finding out what happened to people you once knew?

Join the celebration and help make the day an enjoyable one.

Register now.

CAN YOU HELP?

We have some interviews with students who transferred from Dalrymple School to Hackett St School and photos in the archives, but we need your help.

- Are you a past student or an ex-teacher with early memories, report cards, photos of school events or the school, newspaper clippings...anything to do with the school? We'd love to hear from you.
- If you have the time and could help on the organising committee or assist on the day, we'd love to hear from you.
- If you're time poor, but could help by sponsoring the event, we'd love to hear from you.

Please ring or preferably email museum volunteer Eleanor Kay to register your interest or offer memorabilia.
